SAFEGUARDING: 'NO PHONE ZONE'

Please can we ask that parents do not use their mobile phones whilst in the school grounds. This is a safeguarding concern as conversations may be overheard and the content may be inappropriate for children. This also safeguards children who are not allowed to have their photograph taken and shared, as all mobile phones can now be used as cameras.

Year 6 SAT's

The children have worked very hard this week with their SAT's tests.

Tomorrow morning will be their last test and they will celebrate with a party later this week.

Well done Year 6 we are so proud of you all.

'GO PURPLE' FOR WORLD IBD DAY
FRIDAY 19TH MAY

Our School Council have decided that this month our non uniform day will be supporting the Crohn's & Colitis UK charity. This is a condition that affects children, families and colleagues in our school and on this day we would like to ask our children to pay £1 to wear something purple.

WEBSITE COMPLAINT

Last week we received an anonymous complaint regarding a date on our website that was still showing as October 2016 instead of May 2017. Please can the person making the complaint contact school with further information in order for us to correct this date. The website takes a long time to maintain and we need your help to continually improve. Thankyou

 **GREEN FINGERS WEEK IN THE DINING HALL! - 15TH TO 19TH May 2017**

This week we will be having taster sessions and every day your child will be able to taste one of the following; Kale Muffin, Carrot Cake, Tomato Salsa, Mint Raita and Sage New Potatoes. They will then be able to vote whether they 'Loved it', 'It's Okay' or 'I don't like it'. Each day there will be one golden ticket stuck to the bottom of one of the plates and the winner will get a packet of radish seeds and a chance to have the Blue Peter Gardener, Chris Collins to visit the school again.
