Newsletter 29

May 12th 2017

The Reception and Key Stage one children have been busy completing their Road Safety.

This week, they were fortunate to be visited by the 'Lollipop Lady' who showed them how to cross the road safely.

The Early Years children made their own ice-cream on Thursday. They all took part in the process and certainly enjoyed tasting it.

Our Year Six children have excelled themselves all week. They have worked hard in their external SATs tests showing a positive attitude and perseverance throughout the week. We are so proud of them!

They certainly deserved their party on Friday. Thank you for the donations of food to support this.

Eric, from the NSPCC, will be joining us to say Thank you at our Celebration Assembly on Monday 22nd May.

Stars of the Week

Nursery: **Aurora** for super cutting to make an ice-cream cone

Reception: **Ellie** for brilliant independent writing to complete her bean diary

Year one: **Ellis** for a 'world class' save in football club (ask Mr Atkins for further information on this)

Year two: **Logan** for trying really hard adding and taking away two 2 digit numbers

Year three: **Leo** for his thoughtful responses to our class discussion on churches in different countries

Year four: **Maya** for calculating tricky percentages mentally including finding 33.3% of amounts

Year five: **Niamh** for showing diligence for catching up in her assessments having been absent

All of Year six: for great revision and focus in the SATs tests

Attendance

Year 1&2 and Year 3&4 with 98%

Next Week...

Sports Afternoon on Wednesday 17th May from 1pm – 3pm on the Church field. Weather permitting.

(An alternative date is 24th May)

Ms Adele Robinson BEQ NPQH - Headteacher
