

Hadleigh Ford

Literacy Leader

Marks Gate Junior School

I have led on the Literacy Curriculum in a Primary setting for 3 years and am responsible for the delivery and monitoring of Literacy provision from Nursery to Year Six.

New literacy Curriculum

I have devised, introduced and embedded Curriculum documents and Assessment for Learning systems that have given a clear vision for teaching staff enabling them to deliver outstanding teaching.

I have extensive experience of supporting developments with teachers, middle managers, and senior leaders. I was part of the Leadership team that was graded as 'Outstanding' by Ofsted in 2014.

I am excited by Cooperative Learning strategies and the enjoyment and achievement that are made possible through the use of these teaching techniques.
