Well done to all our **Year 6 children** who completed their SATs last week. They all worked hard and did their very best each day so we now await the results at the end of June!

A date for your diary is **Sports Day** which will be led again by Chris Wright on Monday 10<sup>th</sup> July 9.45-11.45am. Nursery will have their own event and Mrs Wynne will let you know when this is.

The afternoon and evening performances of the **Summer play** will be on Wednesday 12<sup>th</sup> July, further details to follow.

A big well done to our mixed Year 5/6 football team who played so well at the **Rotary Football Competition** yesterday and reached the final where they were unfortunately beaten by All Saints school. They all played extremely well and were enthusiastically supported by a great team of parents on the sideline so thank you all for your support yesterday.

Yesterday KABS held a very successful **Treasure Hunt** round the village then back to school afterwards for refreshments and games on the field. 31 families took part which was fantastic and over £350 was raised for their funds. Thank you especially to Mr Dobie who organised the trail using some great pictures of interesting spots around the village. Apologies to those parents who I missed at the trail as I was doing a 'being in two places' routine with our footballers in Cockermouth!

On **sunny days** can you please make sure your child has a hat in school and please apply sun cream in the morning.

**OOSC children.** Please can you let Shella have labeled sun cream for your child.
