Dear parent/carer,

### Supporting Your Child with Mathematics

Following feedback from the Parent Consultation Evenings, we would like to invite you to a Mathematics evening on Wednesday 7<sup>th</sup> June at 6.00pm, about how you can support your child with mathematics at home. The session will be led by Deborah Mulroney, a mathematics advisor.

You will then have the opportunity to see your child's mathematics books in their classroom.

If you bring your child/children with you, there will be a popcorn and movie experience in the Reception classroom for them to enjoy.

I look forward to seeing many of you there.

Yours sincerely

*Deb Dowie*

Mathematic Leader and Assistant Headteacher
