I am pleased to inform you that following rigorous interview procedures in school, the Directors have appointed two **new teaching members** of staff for September. Miss Nicole Khan has been appointed to teach Reception and she is currently teaching at Montreal School, Cleator Moor. Miss Danielle Robinson has been appointed to teach Year 2 and she is currently teaching at Burleigh Primary School, London. We look forward to welcoming them onto our staff team and there will be opportunities for you to meet them very soon. They will both be spending some time with us during and after school this term in order to prepare for September. You will receive a full staff and class structure for September as soon as this has been confirmed by Directors.

Sainsbury's vouchers need to be sent into school asap as we are ordering equipment soon.

End of term is this Friday 26th May for 2 weeks therefore we return on Monday 12th June. Have a lovely break!

If your child is in Reception, Year 1 and 2 they receive the **Free Universal School Meal** offer however you still need to apply if you feel that you would have been eligible for the old Free School Meal system. We only receive extra funding in school to support your child if you apply for this, we do not get it automatically anymore. You might also be eligible for free school uniform too if you apply. Please see Mrs Bryden in the office.

Mrs Wynne will be having a **plant sale** this Friday 26th May at 3.00pm in the school yard.

Forest School for Reception is on Friday this week.

Nursery are collecting coloured bottle tops, all shapes and sizes! Please can you help with their collection! Many thanks.

I understand that there were a number of negative comments on Facebook last Monday evening in relation to **KS1 football** being cancelled and the amount of notice given to parents. It is very difficult to judge weather conditions and if rain is going to clear or not, therefore we always try to leave the decision to as late as possible. As we are a victim of our own success in relation to after school clubs, the hall was already in use by KS2 cricketers therefore we were left with no option to cancel unless children stood in pouring rain for an hour. We will make all future decisions about cancelling clubs by 2.45pm and they will remain cancelled even if the weather then clears. If you do have a query in relation to anything in school, we would hope that you would discuss this with a member of the school staff or a Director rather than publish concerns on Facebook. Thank you for your support.

On the 21st June we have visitors coming into school as part of the **'RE week'**. We are asking for a donation of £3 towards this payable online. Children will be allowed to bring a maximum of £2 into school to buy something from the souvenir shop they bring with them.
