*21st @ 1:45 Year 6 Leavers' assembly and **end of term**

SEPTEMBER 2017

1st & 4th: School is closed

5th: Term 1 starts

Summer is (almost) here!

Welcome back and we hope that you had an enjoyable break. This term's "Look and Listen" learning theme focuses upon Art and Music and we are also looking forward to our first Science Week! The curriculum letters will be shared next week and if anyone would like to support our learning, please do not hesitate to let us know.

The spring term's house points have been counted and it is with pride and joy we announce Mercury as the winning house, with Jupiter as runners up. The newly-purchased House Trophies have been engraved and sit in pride of place in the foyer—do come and have a look! All members of the winning house are invited to come to school wearing their own clothes tomorrow as a reward for their endeavours.

The summer term is packed with a wide range of sporting opportunities so it is im-

portant that children always have their PE kit in school. The proper clothing ensures that children can exercise safely and it confers unity and pride in the same way that school uniform does. If you have any difficulties with providing a PE kit for your child, please do not hesitate to let the office know and we shall strive to help.

We have reviewed the way that we store medicines in school so that your children can easily access any medication that they need. To support us, please ensure that all medicines sent into school are named, in date and detail the correct dosage.

Key dates for this term are printed on the back of this newsletter - please do not hesitate to ask if you have any questions. We are really looking forward to the Summer Term, knowing that it will be packed with joy and achievement, as always.

Meet the governors!

Hi, my name is Di Rebbeck.

Since joining the Finance and Premises committee in November 2014, I have learnt some fantastic things about Manor Fields School. The staff work very hard in achieving the best for your amazing children. How do I know this? Acting as critical friends, the Governors ask probing questions that are linked to the Learning Development Plan. These range from how funding is used for the children to do their very best in their learning to ensuring the toilets are in good working order. Of course, priorities need to be considered when committing money but the very heart of all that we do is to ensure that the children at Manor Fields

have the best support and equipment possible.

In September 2012, I became a volunteer and it has been a joy for me to see children progress. They are confident, polite, respectful of rights and enjoy their learning. Being a Governor and volunteer has given me a good insight on how the school day is connected to the Learning Development Plan.

The Learning Development Plan, and our Annual Report for Families, can be found on the "About Us" section on the Manor Fields website.
