

PE and Sports Grant 2016-17

For the academic year 2016-17 the government provided additional funding to schools to improve provision of physical education (PE) and sport. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

Exning Primary School has decided to use the money to:

- **Replace old 'trim trail' equipment**
- **support and engage the least active children in physical activities**
- **pay for professional development opportunities for teachers in PE and sport**
- **increase pupils' participation in the sports and physical activities**
- **provide places for pupils on after school sports clubs**
- **improve resources to support the development of the subject**

Exning School's Sports Grant Report 2016-17

Grant received - £8,825		
Total number of FT pupils on role (Jan 16 Census)		199

8. Travel expenditure		£500
9. Upgrading and maintenance of outdoor sports/activity facilities.		£1500

Total spend: £9429

Impact of Sports Grant:

The sustained spend on areas for development since 2013 has ensured a rise in the number of pupils participating in physical activity and sport at Exning Primary School.

We successfully gained the Sainsbury's School Games Gold Award in 2015 and again in 2016, which rewards schools for sustained participation levels in quality sports activities:

We were delighted at winning the 2016 Forest Heath Sports Award, against some very stiff competition:

This in turn led to us being awarded 'Runner Up' at the 2016 Suffolk Sports Award ceremony:

This was an amazing achievement; of which we are extremely proud!

As a school we will continue to build on these successes; celebrating our high participation levels and ensuring all children and staff are confident in improving their skills.
