

## Reception Summer Newsletter

Teachers: Mrs McCombe, Mrs Pope and Miss Wibberley

Welcome to our final term in Reception, the end of your child's first year in School. To remember this year and the good times we've had, the children will be doing their class assemblies to you on the 14<sup>th</sup> June (Miss Wibberley's) and 5<sup>th</sup> July (Mrs McCombe's and Mrs Pope's).

In preparing children for year one please try and send your child into the classroom by themselves and get their morning jobs done independently. In year one they will need to do this as they walk in together as a class from the playground.

### Garden Party

Thank you so much for coming to our garden party, it was very well attended and people told us they had a fabulous time. We spent the money raised on some craft bits, bubbles and pavement chinks.

### Reading rockets:

This system is proving very popular with the children desperate to get a dip in the treat box. Please keep writing in reading diaries every time you read with your child at home. The next day pop their reading diary in the class rocket box so we can add stickers to their rocket.

### Happy Hens Trip

Most of you have returned your consents for the school trip, if you have not can you do so as soon as possible please. School will provide a pack lunch for those who specified on the consent form. On the day can you please make sure you send your child in their school uniform on top and joggers/shorts on their bottom half. Footwear needs to be sensible, especially to get on and off as they love the bouncy castle! They will need sun cream to be applied liberally that morning at home, you can also send it with them if like. They must have a sunhat and water with them but will not need any money.
