

Welcome to our final newsletter of the year. The half term to relax and enjoy after the dreaded SAT's, and before everyone moves on to their new schools! We hope this contains all the useful dates and information about the many forthcoming events that you may need.

Transition

Throughout this half term all pupils will be participating in transition events/days that their individual secondary school organises. These dates should have already been passed on to you but if you have any questions, please call in at school.

All pupils must attend the transition days at their new Secondary School to familiarise themselves with the campus and meet teaching staff.

In each case, your child will need to make his/her own way to and from their Secondary School.

28th, 29th and 30th June –Transitions Days at Outwood City School

10th to 15th July –Transitions Days at Birley School

Children attending other schools should be aware of the arrangements for their transition.

Kingswood

This weekend is our residential weekend at Kingswood. Your child is aware of the room and groups they are in and has received additional details regarding the visit (e.g. departure/arrival times etc). Please remember that any outstanding money should be paid to school as soon as possible.

Thank you.

We are looking forward to this trip and hope you have a lovely peaceful weekend!!
