

Badminton festival

3/4/17

Another successful festival, run by SPIN. Sixteen children from Hillside attended the event alongside forty other children. This festival was all about learning the basics of badminton. The children were shown the skills to play the game, they then had the opportunity to put these skills into practice. The improvement of all the participants was amazing. From not being able to hit the shuttlecock to thinking what area of the court to place the next shot. Every single one of the children involved enjoyed the experience and wanted to play more. Again, a big thank you has to go to the staff of SPIN and especially Mr Fox, who ran the event and the young leaders from Newsome High School.
