On Tuesday a group of children from Belarus, who are currently staying with local families, visited our school.

Children in year three and four made cards to give to the children and they even managed to write short messages in Russian.

Year five and six completed some art work with the children. It was a wonderful experience which was enjoyed by all.

Year one and two visited Mere Sands wood on a school trip. They were able to complete some pond dipping, bug hunting and built some dens. All the children and staff enjoyed their experiences – Mrs Sherwood said it was her best school trip ever!

On Thursday the school will take part in a Church School SIAMS Inspection. We look forward to welcoming our visitor. Please take the opportunity to speak with Mr Haigh before school that day.
