

## HUGBIKE FREE ASSESSMENT

**Summer is just around the corner! It's time for a ride with the Hugbike, the innovative tandem bike design for all riders with Autism, Down Syndrome, Special Needs...**

Click or copy the link to our website below, fill the form and we'll get in touch as soon as we can to organise a free Hugbike assessment. If possible, we will come to you (or to your preferred venue) so you will have the possibility to try the Hugbike for free and enjoy a ride! If, because of our itinerary, we are not able to come to you, we will try to find a solution that is satisfying for you.
