June

5th Back to School

5th - 9th Week 2 School Lunches

6th Class 4 visit to Slimbridge Wildfowl Trust

8th New parents meeting

8th Transition to Archway meeting

Happy Holidays

Once again we find ourselves at the end of another busy term. We hope you all enjoy next week's break, hopefully the weather will remain fine so that the children can enjoy outside activities. School reopens on Monday 5th June at 8:45am. If this warm weather continues please remember sun cream and hats for the children when they return. Sun cream should be applied at home.

Reminder

Any unpaid/permission slips for the Slimbridge trip taking place on the first Tuesday back after half term (6th June) must be in on Monday 5th so that children can take part.

Book Club

We held our first sale on Wednesday afternoon. All the children who have contributed this term were able to spend their saved money on a book or books of their choice. There was a vast range of books suitable for all ages and interests from Reception to Year 6. Many children asked if they could do this again as they had enjoyed it so much. It will start again on the first Wednesday of next term, new cards will be issued and once again all children are welcome to save their pocket money with the Book Club and will be able to purchase a new book before the summer holidays.

Lost Property

Keira Wheatley, Year 5, has mislaid her Foxmoor Dance hoodie which is labelled with her name. It was lost in the school hall a few weeks ago. If your daughter attends Dance Club please check to make sure it has not been brought home by mistake. Keira has an un-named hoodie which is the same size but does not belong to her.

Free Half Term Activities

The Museum in the Park will be holding free activities throughout the half term holiday for anyone interested in fossils or dinosaurs. You could take part in a half term fossil hunt searching for some special fossils around the museum and beyond. Clues available at the Museum's reception desk. On Wednesday 31st May there will be the opportunity to 'Meet the Geologist' (2pm-4pm) to learn about the Museum's internationally significant geology collection and have the chance to take along your own fossils for identification. Then from Thursday 1st to Sunday 4th June there will be a pop up studio full of intriguing artefacts, mineral magic and fossil finds! Periscope artist duo Emily Joy and Alison Cockcroft will also be there with their creative, playful art activities and displays. You are invited to call in and look, or stop and linger, draw, dream and imagine... A drop in workshop will be held on Tuesday 30th May (£2 per child suggested donation) entitled 'The Watery World of the Ichthyosaur' when you can make your own diorama of the watery world.
