

## Holme On Spalding Moor Primary School

### Newsflash

No. 1

14 June 2017

Hello, and welcome to Newsflash through which I'll be keeping you updated on a range of things such as events in school and general need-to-know items.

#### Arriving at School in the mornings

Just a few reminders to help keep our children safe.

1. On arrival at school, pupils must come straight onto the large playground and remain there until the bell rings. No pupil may leave the site.
2. Duty staff will be on the playground from 08:40 so unaccompanied pupils should not arrive earlier than this.
3. If you are dropping off your child, please ensure that (s)he enters the site before driving off.

Thank you.

#### Sports Days

All the information about our Sports Days will be coming your way very soon via a letter on the website so please look out for it. Let's hope all this talk of an extended heatwave has some truth in it!

#### Getting in touch with your child's teacher

Teachers are always happy to talk to parents/carers but ***please don't contact them by email***. Although email is a vital part of our lives, more often than not, teachers don't get a chance to read them during the day and this means that your message is not picked up. If you want to get a message to a teacher or want to set up a

meeting, *please go to the school office* where the staff will be happy to help you.  
Thanks.

### **School Meals**

The new Local Authority-recommended price of a school lunch is now £2.30 and the rise of 10p per meal has been approved by the Governing Body **from September**. The quality of food at this school is excellent and, although price increases are never welcome, the meals still represent outstanding value for money.

### **Class Photographs Thursday 22 June**

The photographer will be in school on Thursday 22 June to take the annual class and team photographs. Please will you make sure that your child brings a sweatshirt or cardigan to school on that day? Many thanks.

### **Optional Parent/Carer Consultations Monday 10 July 15:45 – 17:30**

Teachers work hard to provide a thorough Annual Report for your child which, we hope, gives you a clear picture of attainment, progress, strengths and areas for development. The above date is an optional opportunity to meet the teacher for clarification, should you feel it necessary. More information will follow nearer the date.

**Sue Monkman**
