16th June 2017

Holme on Spalding Moor Primary School Sports Days July 2017

Dear Parents/Carers,

Please find detailed below the dates and times for the various Sports Days this year:

Monday 3rd July

Foundation Stage 1 (Miss Diver and Mrs Freers' children)

Morning children: 10 am

Afternoon children: 2 pm

Could you please ensure that your children wear appropriate footwear on the day (no sandals, flip-flops or crocs please) and a hat if the weather is sunny. It would also be appreciated if parents would keep away from the finish line so that the area does not become too congested.

Tuesday 4th July

Foundation Stage 2 (Mrs Archer and Miss Winstanley's reception children)

Start Time 2 pm

Come and join the fun! Watch the races and enjoy the afternoon. It would be appreciated if you could ensure that your child has a hat and water bottle if the weather is sunny, and wears pumps or trainers. Also please note that the children will need to return to their sports after the interval.

Wednesday 5th July

Key Stage 2 (Miss Ripley, Mr Fisher, Mrs Youd/Mrs Nordberg and Mr Rawlinson's children)

Start Time: 1:30 pm

As last year, all the events will be on the track. There will be a team competition for all the children and races for the successful athletes from earlier year-group trials. For the team events, it would be helpful if your child could wear a top in the colour of their team (your child will be advised of their team colour asap). Please don't worry if you don't have one, as bibs will be provided. A hat and water bottle would also be useful if the weather is hot. Many thanks.

PTO

Thursday 6th July

Key Stage 1 (Mrs Rush, Mrs Johnson/Mrs Levitt's and Miss Winstanley's Year 1 children)

Start Time: 1:45 pm

As last year, all the events will be on the track. There will be a team competition for all the children and races for the successful athletes from earlier year-group trials. Children should wear their PE kit; a hat and water bottle would also be useful if the weather is hot. Many thanks.

Parent information for Sports Days

The Friends will be selling ice creams during the interval. The priority each day will be for the parents/children involved in that sports day.

Like the Christmas production, the school will be taking photographs and filming some video clips of the events and putting them on their respective phase pages. We request that you endeavour to ensure that your photograph only contains your child. If a photograph includes more than your own child, it must not be posted on any social media sites.

Finally, taking photographs at the finishing line often results in special pictures of your child. However, to ensure the smooth, safe and quick running of the events, please allow plenty of space for competitors to finish, for staff to identify the order of the finishing racers and to be able to get to the children to inform them of their placing. Thank you.

If you have any problems/queries, then please don't hesitate to speak with your child's class teacher.

All we need now is some super weather...fingers crossed!

Many thanks,

Mr Rawlinson
