CLASS 1

This week in class 1, we have been continuing our topic by reading various space themed poems. The children have been learning what a rhyming word is and had a really good go at creating their own star shape poems. We have also invented actions to match the words in the poem 'See My Rocket' by Ruth Merrittens. The children really enjoyed expressing themselves effectively by rehearsing the chosen actions together and performing it as a group.

CLASS 2

Class 2 have been carrying out traffic surveys as part of their work over the last fortnight.

Euan: "We were listening to hear if it's a bike, car, lorry, tractor....."

Ethan: "A car didn't make much noise... a lorry made a loud noise!"

Lucas: "We counted how many car, motorbikes.... went by. One listened and one looked."

Year 2 recorded their results and realised how important it was to look AND listen near roads.
