## St. Joseph's Newsletter

Issue 034 - 19 June 2017

What a lovely person Ellie Simmonds was! Your children have been extremely fortunate to have met Ellie, not only is she a top athlete she is also an excellent role model. The way she spoke to the children will impact upon their future and encourage them to have goals and work hard to achieve them. Please visit our website to see pictures of the children with Ellie. I'm sure she would have been proud of all of the children that took part in sports day they all tried their hardest whilst at the same time showing good sportsmanship and having fun! Thank you to the parents that took part as well you made the children happy!

I would like to mention the year 5 and 6 children. The staff are pleased with their attitude to their learning at this stage of the year. In particular the way the children represented the school during their visit to the Theatre on Polling Day. They were a credit to the school and their families. I was also lucky enough to walk in on their own elections which had been organised by the staff and I have to say I would have found it a lot easier to vote for them than I actually did in the general election! Well done!

Thank you!

During Mass last week Fr. Peter blessed a Bible for every class. The Bibles have been donated to the school by various groups within the church. We are extremely grateful for this donation and the children will treat them with respect. The Bibles will be used to lead class worship. We would therefore like to take this opportunity to thank all of the people responsible for the donations and of course Fr. Peter for blessing them.

### 50-50 Club

50-50 Club winner this week is Mrs Baldwin. Well done!
