National Smile Month

This campaign, which runs from 15th May to 15th June 2017, is the UK's largest and longest running campaign to promote good oral health. We are all encouraged by the campaign to engage in fun activities that raise awareness of how to develop and maintain a healthy mouth. The campaign promotes the following three key messages: 1. Brush your teeth last thing at night and on at least one other occasion with a fluoride toothpaste 2. Cut down on how often you have sugary foods and drinks 3. Visit your dentist regularly.

During the campaign will be reminding the children about the importance of brushing their teeth and having healthy meals and snacks. We would appreciate parents talking to the children about National Smile Month and the key messages at home as well.

Many thanks.

Ms.Russell 😊

PTA Summer Fayre

As you are aware we have re-arranged the PTA Summer Fayre to **Saturday 24th June**. We look forward to welcoming everyone and are planning lots of fun for all!

There will be a range of activities and stalls for everyone including bric-a-brac, tombola, hook a bag, coconut shy, splat the rat and even a small petting area.

Fingers crossed for good weather! ☀️

Please could we remind parents that we are looking for new members for the PTA as our current Chair and Treasurer will be resigning at the end of the Summer. If you are interested in joining please contact Natalie Stokes or the school office.
