HENDAL ENTERPRISE PROJECT
We have now launched our Hendal Enterprise Project which is on-going until the end of term. Each class have been given £20 from School funds to make/design/produce an idea that will make a profit for their class to spend on educational resources. The class that makes the most profit by 14th July will have their money doubled. Years 5 and 6 will work in smaller groups and receive £5 per group. Some products will be on sale at the Summer Fair. This project promotes teamwork and practical application of Maths and English skills. We look forward to finding out how much money each class can make and will update you in our final newsletter of this year. **GOOD LUCK!**

Teachers enjoyed training on P4C (Philosophy 4 Children) on Monday 5th June which promotes philosophical enquiry - encouraging children to question themselves and challenge their own and others beliefs in a safe environment. The research shows that for Schools who partake in P4C, there is a noticeable impact on behaviour and academic levels.
