## New Road Primary School

Weekly Newsletter

### Family Learning

This month's Family Learning is all about Healthy Lifestyles. This week focused on exercise and healthy eating. As you can see from the pictures there were lots of fun exercises taking place which were very simple to do and could be turned into a game for all the family to do. There was also a big focus on "what is in your breakfast" and everyone had to guess how much sugar was in certain cereals. The follow up session to this is on Monday 3rd July at the same time.

**Congratulations to all our GROWTH and House Point certificate winners this week -**

**GROWTH Award Winners—** Connie, Angel, Jessica, Alistair, Keira, Zachary, Lily, Felix, Felicity, Ali, CJ & Dakota.

**House Point Winners—** Harrison, Charlie, George & Noah.

## New School App

The new app is ready to use and is linked to the school website, so any newsletters, news updates, gallery pictures, calendar events etc., will now be accessible from the app. It will also have notifications which tell you when, for example, a new newsletter has been uploaded.

The app can be downloaded from the google store on android devices or the app store on apple devices. Simply search for New Road hx6 to find it.

As time goes on the app provider will add features and we will continue to add content. We hope this will be an easier way for you to keep up to date with school matters in the future.

## Christmas Panto Trip

This is a reminder that all money for the School Panto Trip needs to be paid for no later than Friday 15th September. If you wish your child to go then the cost is £14.00 per child.
