

## Holme On Spalding Moor Primary School

### Newsflash

No:2 Tuesday 20 June 2017

Welcome to edition 2 of Newsflash, your weekly update on all things important here at Holme on Spalding Moor Primary School.

**Here comes the sun . . .**

It's been lovely to see the sun shining and temperatures soaring but there is a down-side: sunburn. Please will you send your child to school with a sunhat and a water bottle for playtimes? Once-a-day sunscreens have come down in price a lot over the years and you might like to consider applying a liberal coating of one of these to your child before school.

I'm sure you will have noticed our two new gazebos where children can sit in the shade.

**Time to clear out your CD collection for Sue Ryder Homes**

The residents of the Sue Ryder Home love to listen to music, so a group of our Year 6 boys are collecting CDs to donate to the Home. If, like me, you have CDs that you never listen to, please will you send them along to school? Thanks.

**Safety on the school site**

Just a reminder about safety on the playground. Scooters and bikes can cause a serious accident on a busy playground. Please do not allow your child to ride them around the playground. This applies to very small ones, too. Thanks.

**Stationery Sales**

Year 6 girls will be holding a series of stationery sales on the little playground at the end of the school day on:

Thursday 22 June, Fridays 23 and 30 June.

All money raised will go into School Fund to buy new resources.

## Sports Days

As sports days approach, please ensure that your child has a PE kit in school ready for practices. Thank you.

## Special Educational Needs and Disabilities (SEND)

A new email account has been set up for use by parents/carers who have a query about SEND. This will be monitored by the SENDCo (Mrs Rush), usually during her SEND management time. Please use the following email address:

[senco@hosm.eriding.net](mailto:senco@hosm.eriding.net)

## Pupil Absence and Changes to Collection Arrangements

If your child is going to be absent from school, please **ring by 09:00 at the latest** to let us know. There is an answering service to record your message. **Please don't email as we may not pick up your message until much later in the day.**

If you want to let us know about changes to collection of pupils, please **ring by 12:00**. Obviously, if it's unexpected, just ring as soon as possible. **Again, please don't email.**

Thank you for your cooperation. Keeping your child safe is our priority.

## Your safety on our site

Please don't use the car park to access the school. Please use the path for access to Foundation 1. Also, I would be grateful if you will keep a watchful eye on pre-schoolers in this area.

Have a lovely weekend - when it arrives.

Sue M
