The children enjoyed the **RE week** we have just held, particularly the very informative and interesting visit from the Hindu Education Service. Thank you for your support during the week in understanding how important it is to give our children an insight into other religions and cultures which can only help them understand and appreciate the vast and varied world we live in. Pictures are now on the website.

Please let the office know if you have applied for the **30 hours of Nursery funding** and what hours you are looking to have your child take up in Nursery this September. This will then allow us to confirm our staffing needs.

Good luck to our **Year 6 children** as they have their 2 Intake days at Cockermouth School this week, an important step in their educational journey through life.

As you may be aware our summer production is **Charlie and the Chocolate Factory**, performances at 2 and 6.00pm on Wednesday 12th July. Tickets will be available from this Wednesday onwards at a cost of £3. Please return the slip below, four tickets for separated families only, requesting tickets but pay online. Tickets will not be issued until payment has been received. Thank you

The **orienteering final** is this Thursday 29<sup>th</sup> at Wythop and it will take place during the afternoon. The children may be a little late back to school, approximately 3.30/3.45pm.

It is the last **KS1 football** session tonight Monday 26th and the last **cricket session** with Jon Gibson is Monday 10<sup>th</sup> July. I'm pleased to inform you that Jon is coming back in September to do further curriculum and after school club teaching.

Please can all **photograph orders** be handed in to the office by this Friday 30th

The last **Forest School** session for **Reception** is this Wednesday, please apply midge spray beforehand.
