28th June 2017

Dear Parents

Y6 Teesmouth Field Centre

Y6 are going on a trip to Teesmouth Field Centre as part of our topic on Rivers on **Thursday 13th July**. This is an excellent opportunity for the children to experience practical geography field work.

The children will learn about the River Tees from the source to its mouth and how the River has influenced the use and growth of Teesside. The children will also do some practical work. They will go down to the mouth of the River Tees to learn more about it.

The children will be outside for a lot of the day so they must wear warm (jumpers) clothes, a waterproof coat and suitable footwear. A change of socks, trousers and shoes would be a good idea in case it is raining on the day. If the weather is sunny we advise you to supply your child with sun cream, a sun hat and plenty of water. They are required to bring a packed lunch as this trip is all day.

The children will be leaving school at 9 a.m. and will be returning for the end of school as normal at 3.00 p.m. The cost of the trip is £7.50 per child. Please return the consent form and £7.50 to school by **Monday 10th July**

Yours sincerely
Mrs Peacock
