ROAR – African Adventure Review

I wanted to write tonight as the very thrilled and humbled Chair of Governor's at St George's to say how very, very, very proud I am of all of the children, staff and parents who worked so hard, so very professionally and so very enthusiastically to deliver the awesome performances of this year's School Production, ROAR - African Adventure!

As a parent for some ten year's now of pupils from St Georges Primary, I have enjoyed some terrific performances over the years, but the quality of acting, singing, dancing, comedy, costume and set design, plus some incredible make up, across every year group, was outstanding in 2017 !!! Year Six especially worked so positively and creatively together, I know in some cases even stepping in at short notice to major roles, in order to support their peers who were unable to take part. I really hope that they will be able to treasure this special event for many, many years, as they move on soon into the wider world of Secondary education. Please pass on my congratulations, immense pride and very best wishes to all pupils, staff and parents involved in our school production. Well done one and all! You have all done yourselves, your school and your community proud and are a credit to our St George's Family.

Many Thanks

Paul Manning, Chair of Governors

A BIG Gardening Thank You

Thank you so much to everyone in the community who helped out with the allotment last weekend. It's now ready to plant lots of tasty vegetables and fruit for next season. We will start the gardening work in the next academic year!

URGENT YEAR 2 MESSAGE - Free School Meals

The Year 2 children have been entitled to Universal Free Meals through the Government scheme. From September, **this scheme does not apply to Year 3**. It is your responsibility to let us know if you're entitled to Free School Meals by providing proof of income. Please speak to the office for further information.

Let's Celebrate!
