We are planning to make a display for our school entry to Rugby in Bloom this year. The theme is the 80th anniversary of Frank Whittle's invention of the jet engine. We are hoping to collect a plant from each family in order to make a display in the quad representing the jet engine and/or jet planes. In order to do this, we would like to ask you if you could **contribute a plant or a few plants planted in a small container**, which could include a reference to the theme of Frank Whittle or jet engines. Thank you to those who have already contributed.
