

Name a brick

and leave your mark upon
Little Darwins Nursery!

We invite you to make a donation to leave your mark on our nursery, improve our entrance, and to help raise funds to buy and install a play loft and sensory room to provide new facilities for all our children.

We were not successful with our grant application but still want to go ahead with the purchase of a play loft and sensory room for our room merge in September 2017. Therefore, we are going to pave the area outside the entrance to our nursery with the engraved pavers and the money we raise will be used for the purchase of play loft and sensory room.

A donation for a brick will highlight your name alongside other bricks that will have the names of parents, families, staff, supporters and friends of Little Darwins. It is an exciting opportunity where we can all help to celebrate our nursery.

Brick Details: each single brick is a 210 mm x 65 mm quality brick slip. It is envisaged that each brick will be a pale buff colour. The lettering is professionally engraved with long-lasting coloured infill. These will be laid outside the entrance to Little Darwins where the slate and artificial grass are currently, for all to see!

To take part and place an order for your brick(s), please complete order form available from our website or foyer. Thanks for your support!
