4th July 2017

Dear Parents

We are in the process of training some staff so that Ibstock Junior School can become a 'Forest School'. This would mean that our pupils would spend time learning a range of skills in natural environments.

To help us to create a Forest School area on our premises, we need some extra natural resources. If you have spare logs (of any size), sticks or wood that you no longer need, we would be happy to take them off your hands!

Please be aware that natural resources are not supposed to be taken from public woodland areas.

If you do have anything to donate, please contact the office, or myself at school so that we can arrange delivery.

Kind regards

Mr Carte
