Family Learning

This week in Family Learning the children learnt about healthy food. This involved them making fruit salads, fruit kebabs and snake bagels. The children also learnt how to chop some fruit safely and they looked like they were having fun during the session. The children were proud of what they made and as you can see there were some lovely looking fruit salads. Well done to everyone!

New School App

The new app is ready to use and is linked to the school website, so any newsletters, news updates, gallery pictures, calendar events etc., will now be accessible from the app. It will also have notifications which tell you when, for example, a new newsletter has been uploaded.

The app can be downloaded from the google store on android devices or the app store on apple devices. Simply search for New Road hx6 to find it.

As time goes on the app provider will add features and we will continue to add content. We hope this will be an easier way for you to keep up to date with school matters in the future.
