Stars of the Week—Lydbrook

Reception Play area

I have been asked by a parent just to clarify the rules around children playing in the reception class play area next to Stickys. We do ask that children do not play in this area before and after school and whilst waiting for school pick up. That area is used by Northdene and Bankhouse children and is an extension of their classroom and so we cannot let children play in there. Please feel free to use any of the rest of the playground areas or the MUGA during this time but we ask that you do not let your children go into the fenced reception area. Thank you for your support in this.

Get yourself a piece of history....

FOCSA are having a silent auction for a Huddersfield Town football, signed by the first team which was kindly donated by our after school club team.

Bids can be placed either via the Facebook messaging on the FOCSA page or in a sealed envelope to school reception no later than 9am on Friday 14th July.

If you would like to see the football please call at the office.

The Copley Colour Run

The English weather has beaten us this week along with some busy days in school and we didn't want any class to miss out on the run. We are hoping for a better week weather wise next week. Please can we ask that if your child is taking part that they bring in a complete change of clothes on **MONDAY** morning so that we have them in school ready to go. We will text the night before and on the proposed morning so that you know. I am hoping for Tuesday 11th July if the weather holds but we will confirm on Monday.

Craft session and Children's Parade

As part of the Copley Cricket Club Food on the Field event for the Village, a Children's parade will take place on Monday 28th August and a Craft session on Wednesday 16th August. The free craft session is on 16th August at 2pm, in the cricket club - we'll be making Animal & Superhero masks to be worn at the Children's Parade. The Parade on the 28th August starts at 11.30am from the Canal side at Copley, around the new and old village, finishing at the Cricket Club's Food on the Field event. Children can wear fancy dress, wave flags and sing to music whilst we show the village our superhero fancy dress costumes! Please come and have fun in the Village! All children must be supervised by an adult during the session and parade.

For more information please contact Mrs Liz Kenny

What's happening in school week beginning 10th July 2017

Mon 10th July	<ul style="list-style-type: none"> Homework after school club till 4pm

Calder	98%	1
Lydbrook	97%	1
Woodhouse	97%	1

FOCSA end of term Disco ...Tuesday 18th July....£3 per child....more details next week

Sports Day

Thank you so much to all the parents who made it to the sports day events on Monday. We hope you liked the new venue at Old Rishworthians, it definitely gave us more room.

A huge thank you to Mr Walker for all his hard work preparing for the events and as always for all his enthusiasm. He was very impressed by all the parents willing to join in the fun races at the end!!

Mr Walker has kept times and distances records for all the events this year, so we now can have school record holders for individual events and have something for the children to aim for next year to smash the record.

Please check the website for all the days pictures!!!!

Y2 and Y6 SAT Results

This week we received our results for Y6 and submitted our Y2 teacher assessments for Y2.

We are so proud of each and every one of the children and the effort they have put in this year.

The full results will be published online on the school website once the national figures have been finalised, but in the meantime here are the main headlines.

Y6 Results

Our Y6 were the second cohort to have to sit the new SAT tests with the increased challenge. This year the bar has been raised even higher and the pass mark increased even further from last year so we are really pleased with our results.

	Reading	Writing	Maths	Grammar, punctuation and spelling
2016	67%	70%	82%	67%
2017	77%	77%	91%	85%

Y2 Results

These results are based on the teacher assessments done through the summer term moderated by the local authority

	Reading	Writing	Maths
2016	78%	69%	84%
2017	77%	80%	80%
