

# Charging and Remissions Policy

2017/01/01 Version Number: 01

Northern House School (Solihull) Review Date: 2019/01/01

---

Many trips are subsidised by the school but parents may be asked to make a contribution. No child will be prevented from joining an educational visit through inability to contribute.

## **Damage**

Pupils are expected to make a contribution towards repairs if they cause damage and we ask for parents' support in this. If there are problems, we can provide opportunities for the pupils to earn money so that they can make the necessary reparation.

## **Uniform**

Pupils are issued with their first school jumper, tie and blazer free of charge, however parents will be subsequently charged to replace any of these items if they are lost or if they need replacing for any reason.

Any parent or carer who has difficulty making a required payment should contact the Headteacher who will try to help.
