## Confidentiality

At Northern House School Academy Trust we often come into contact with confidential information from a variety of sources. To ensure that all visitors and everyone working at the school can do so with professionalism and confidence, we will respect confidentiality in the following ways:

- Parents and carers will have access to files and records of their own children.
- Staff will only discuss individual children or situations within a professional context and with the parents and carers.
- Information given by parents and carers to the school will only be shared, if appropriate, in a professional context.
- Personnel issues will remain confidential to the people involved.
- Concerns regarding the personal safety of individual children will be shared appropriately within a professional context and will be stored securely.
- Visitors will not discuss the specific details regarding individual children, staff or situations outside the context of Northern House School Academy Trust.
- The school will comply with all requirements of the Data Protection Act and the Freedom of Information Act.
