

Group Size, Clothing & Nappies, Pegs and Comforters

Group size:

The ratio for 2-year-olds is set at a minimum of 1 member of staff to every 4 children. In our setting, there will be 3 members of staff and 12 children.

Clothing:

Children should wear suitable clothing for pre-school; they will be busy doing messy activities. Outdoor activities will include running and climbing so sensible footwear should be worn. Your child will need a backpack / bag with a change of clothing, sun cream, sun hat, etc. Please ensure that coats are named.

Nappies:

You need to supply a pack of nappies & wipes for your child.

Pegs:

Your child will be given their own peg to hang their coat and bag. The pegs will have a picture icon (flower, bee etc.) so you can help your child to recognise their peg.

Comforters:

Comforters such as dummies, blankets, teddies can be put in your child's bag for emergencies.
