School News

On Monday we took year 6 to Hereford for a day of celebration.

The Cathedral is a beautiful building and the children really appreciated it. They spent a lot of time looking up at the high ceilings and pointing out art work, objects and parts of the building which interested them.

There were singing, art and team building activities for the children to participate in based on Christian Values. They reflected on their time at primary school and looked forward to secondary school. The day ended with a service of celebration.

Don't forget to join us for the leavers service in Church next Tuesday afternoon.

School Uniform

As you are aware, earlier this year, we made changes to our school mission statement, ethos and values. We are currently in the early stages of making amendments to our school emblem and further details will follow during the Autumn Term.

With this in mind, we will be phasing out the school uniform that currently features the old school emblem, 'fun is learning, learning is fun' and will not be using School Shop Direct as our supplier.

If you are purchasing new uniform for September, we would recommend purchasing plain uniform. Full uniform details can be found below.
