

# Home-Learning Project

## London Bridges - Summer Term

### Parent/Carer's Feedback Sheet

#### 1. What went well with my child's Home Learning Project?

- He explained it very well and he enjoyed talking about his project to his class
- He visited Tower Bridge – It was so much fun – He did his first Power Point presentation
- He was very confident with His presentation
- This was their final project – They worked well together and made a real effort on the project
- My son chose the bridge he wanted to do the project on and we both learnt about it together. I was impressed with the presentations. I was amazed by the model bridges some of the children had made
- Charlotte enjoyed making her bridge and writing the facts
- All the projects were amazing. The children really did well
- She was able to identify all information fact about the bridges and she enjoyed the time to build the bridge
- We went to Tower Bridge. It was so much fun. She did her firs Power Point Presentation
- Everything was great so she learnt a lot of things about the Bridges, History, etc. They are very complex. Imagination and technology.
- My kids enjoyed presenting, learning and finding out facts about Tower Bridge, so much so that we will now plan a visit to go in. My kids did their firs Power Point Presentation and I was surprised to see that they knew how to use Power Point!

#### 2. What other family learning mornings would you like to see?

- Baking morning were they have to bake a cake from home. Building morning to build a building. Games morning
- I liked the science projects/days. Book projects. Sports day. Art days
- Transport in London
- Family reading, Family working, working on what children are doing in class
- Hero to support our children with their wellbeing and being resilient
- I would like to see more about transport in London
- Science days, sports days, art days or drama days
- About Buildings, aeroplanes
- Quiz or other similar activities

### **3. Ideas/suggestions**

- Making games, baking project
- London Parks, Famous writers, weird animals/insects
- How we move from one point to the other on transport
- Designing the perfect park. Learning about trees/plants.
- Making a game about athletes
- Great historical females. Animals. Weather. London museums. London Monuments
- My favourite artist (go to a gallery to see their work, draw me of their pictures)
- My suggestion would be building a city and more
- London Parks, English Colonies, Scottish Winters
- Making home learning projects with recyclable materials
- London markets, History of big brand shops i.e. Fortnum and Mason to get them inspired, Different types of communication used in the world

### **4. How can we help you with your child's Home Learning Projects?**

- Give out more help and information how to help and create our project
- I think you do this well but please don't lose memory sticks please 😊
- More notices can be given
- Allowing time in class/break time to discuss project if they want to work with other children in class
- If possible provide some resources to use for the project
- Give us lot of ideas please what you usually do best
- The presentation is fine most difficult part that would be needed for help
- I think you do just well
- That is ok 😊
- Supporting them on the day i.e. asking them if they need support with their presentations (versions sometimes are not compatible or effects added do not come up)
