Sports Afternoon

Dear Parent/Guardian

In order to promote a healthy lifestyle within school, the children of Key stage 2 (Years 3, 4, 5 & 6) will be taking part in an organised sports afternoon on Wednesday 19th July. This will consist of a series of traditional sports day events where children will compete for their house teams against children from their own year group.

Parents and grandparents are most welcome to come along and enjoy a shared lunch from 12 O 'clock on the day.

All children can arrive at school on the day in their PE kits. Children should do their best, to arrive in a T shirt (no football shirts please) that matches the colour of the house that they are representing: -

St Mark - Blue

St Matthew - Yellow

St Luke - Red

St John - Green

We do however, have a selection of coloured bibs if a suitable colour t- shirt cannot be found.

We are aiming for a 1:15 start and your support would be greatly appreciated.

Yours sincerely

Miss Scollick, Mrs Peacock, Mrs Smith and Mr Williams
