

*Shears Green Infant School*

**Newsletter 18**  
**Tuesday 18th July 2017**

I would like to take this opportunity to say a huge thank you and well done to every child at Shears Green Infants for their amazing conduct and commitment to learning. I am proud of you all!

Parents—you should be proud of your children—they are a credit to each and every one of you—they are amazing, gorgeous individuals who have so much to offer.

I would like to say Goodbye and Good luck to my wonderful Year 2 children as they prepare for their journey with the Juniors.

As I say every year I wish I could keep you all here but I know you have exciting adventures ahead of you and I know the Juniors will be so happy to be receiving "happy, confident achievers" Good luck everyone!

Good bye and good luck to the staff who have been a real asset to our school but are now off to start new adventures—we wish you all the very best!

It leaves me to say my team and I wish you a wonderful and safe summer and we look forward to seeing you all in September.

**Mrs Kotze**

## Day to Day

- Please may we remind you the school only administers medication which has been prescribed by the doctor and is needed four times a day.
- Congratulations to Class 8 who were named the winner of the 'Book Corner' display by the University of Greenwich.
- The school has been given a certificate of recognition of outstanding involvement and support within the University of Greenwich Primary Partnership. Well done to all those involved.

## Summer Fayre

A massive thank you for your support with the Summer Fayre on Friday 30th June. Another great event run by the PTFA!

At last count money raised was at £1200 and we await matched funding so we could well be on our way to a whole lot more!!

## Year 2 Enterprise

The Fiver Challenge Team would like to say a big thank you to everyone who supported us with our young enterprise project, either by donating Wellington Boots or by buying something from our stall at the summer fayre.

After our expenditure we have managed to make a profit of £79.13 and have gained a small insight into what is involved in running our own business.

We are going to use the money to buy something for the Year 2 outside area for next year's children to use and enjoy.
