### Aspirations Week

Last week was a huge success, your children came into school and found out so much about different careers and opportunities available to them in life. We were extremely lucky to have so many excellent speakers. I would especially like to thank the parents and grandparents that gave up their time to come and talk to our children, you have had a really positive impact on each and every one of them.

I would also like to thank the staff for all of the hard work they have put in throughout the year. We are lucky to have such a hard working and dedicated staff!

I would finally like to wish you a safe and happy holiday with your friends and family. Your children have worked extremely hard and are now ready for a well deserved break. We look forward to welcoming you all back in September!

### Year 6 Leavers

Although it is always sad saying goodbye we are excited to be sending our year 6 children off on to their new adventure at High School. We have thoroughly enjoyed teaching you and sharing your last days of celebration. You are all amazing and have so much to offer the world. Remember to always try your best and treat others as you wish to be treated yourself. Good luck in everything you do!

### Summer Reading Challenge

Can I strongly encourage you all to visit Rugeley library to sign up for the summer reading challenge. It is a great way to engage children in reading as there are a wealth of books to choose from. There is also a trophy for the school that gets the most children to complete the challenge.

Full details of the challenge can be found at <https://summerreadingchallenge.org.uk/> and by visiting your local library. Thank you for your support!

### 50-50 Club

50-50 Club winner this week is Keira Ali. Well done!
