A little about me:

I am an outstanding primary teacher whose 20 years in education have been spent teaching and consulting in classrooms across Australia, Spain and England. I am currently working part time as a PRU teacher of full time excluded children and delivering Whole School Outreach Support in Buckinghamshire and have worked as an ASD Specialist teacher in London. I have had 3 successful years of consulting in schools and leading insets and training in Behaviour, ADHD and ASD through my business BESD Solutions. I have always had a desire to support parents with the issues they have at home with children's behaviour. Now is the time!!!

I look forward to hearing from you.

Kind regards

Paul MacDonald
