

# Netball Match Report

23<sup>rd</sup> September 2016

On Wednesday 23<sup>rd</sup> September our year 7 netball team played a friendly against St Bedes. We won the toss up and took the first centre. With excellent passing from myself, Grace and Megan we easily scored within seconds. Making the score 1-0. After that it was St Bedes centre, which we also scored from. Continuing to play well with outstanding passes, we managed to make the score 5-1 only a quarter of the way through the game. At half way we decided to swap around our players so everyone could play. With Tyra's amazing spiking she stopped St Bedes scoring multiple times. With the last quarter left, we decided to swap our players one last time. With outstanding marking from Charlotte we stopped them from scoring anymore points and helped our shooters Adacia and Grace out. After losing last week it really motivated us all of us. We all played exceptionally well winning our first match as a proper team. The final score was 9-8. We would like to thank Miss Bradley, Miss Gatfield and Miss Williams for coaching us and supporting us.
