

# Mrs Gurnhill

## A little bit about me...

I live in the local area with my lovely husband Steve and our 2 beautiful children. We have a girl and boy, Grace and James. We also have a 'gorgeous' bulldog called Poppy (and the owners do not look like their dog).

We are a very close family who appreciate quality family time. We love to go on long bike rides and enjoy the outdoors.

When I started at Castle Hills in 1991, little did I know that I would still be here now and loving every minute.

## Fun Facts

I have just realised I have been working at Castle Hills for a year before Mrs Hodgson was born.

I love crisps, any flavour- not fussy!

Steve tells me that I have OCD.

I have a double jointed thumb.

## Hobbies

At the weekend I like to go swimming with Grace, just recently I have plucked up the courage to go down the water shoots- with my goggles on!
