IMPORTANT

Children must commit to the club for the duration of the half-term block. The office must receive notification in advance if a child is unable to attend on any given date. As the school is unable to provide indoor accommodation for the large number of sports clubs that are timetabled, clubs may not run if there are adverse weather conditions. If this is the case, parents are expected to collect children at the end of the school day at 3.15. If many sessions are cancelled due to weather, then the school will consider reimbursement or an additional coaching session at a later date. We regret that no refunds can be given for clubs that have been paid for and a child is unable to attend due to illness, personal reasons or other school trips, visits or events. **All children must go to the allocated registration room (shown in italics) at the start of the club with all their belongings and can be collected by an adult or leave with pre arranged permission from the fire door of that classroom. Please do not come in the school building to collect children.**
