

Dear Parent / Guardian

Your child's school has been invited to participate in a second hand bike market on the 10th October, 2017 at Holy Trinity Primary school.

The markets enable parents to recycle unwanted bicycles, earn some money and in the process create affordable bike stock for others in their community, and they are a great opportunity to pick up a serviced, affordable bike for your child (or yourself if you pre-order on our website).

How it works -

- 08:00-09:30: drop off bikes for selling and we tag them with your details. These are added to the selection of children's bikes (and adult on request*) we bring along.
- 09:30-15:30: mechanic checks every bike and makes minor repairs where necessary and then sellers contacted with valuation.
- people selling bikes will get a valuation of the bike sent via email and a link to a secure site for inputting their bank or PayPal details for payment to be made when the bike sells
- 15:30-16:30: market opens for people to buy bikes. We accept credit cards and cash.
- unsold bikes can be collected anytime on the day or we take them and sell at other markets (25% commission charge in these instances).
- Any questions - please email info@peddlemywheels.com

** Any adult looking for a bike for themselves should complete a 'Market Order Form' on our website at least 48 hours before the event and we will try and bring something suitable along.*

The event is a one off this year so don't miss out!

Kind regards,

Peddle My Wheels team
