Tel : 01249 460190 www.queenscrescent.wilts.sch.uk

Where has this year gone, I can't believe we have completed Term 6.

It has been another highly successful year with so much to celebrate. We've welcomed many new families into our school community as well as new staff. As a school we have achieved well academically and in all other areas too. I would like to congratulate the hard work and excellent learning attitudes of all our pupils who have a desire to achieve their full potential. I would like to say a huge thank you to all our teachers, teaching assistants and admin team for their hard work and excellent loyalties to our school. Thank you also to our committed MDSA team for looking after our children so well during the lunch hour.

I am very proud of our school and all the successes achieved by our pupils.

Finally, all the best to all our Year 6 as they move on to the next stage of their education at their new secondary schools. They will be really missed.
