“Together we reach for our personal best”

7 September, 2017

Dear Parent/Carers,

This year we are focusing upon raising the profile of reading within the school which includes finding ways to motivate your children to read regularly. Reading frequently will increase your child's fluency which will have a positive impact upon their attainment.

It is our expectation as a school that each child reads at least three times a week at home. This should be recorded in their recording records with a brief comment and an adult signature.

To encourage your children to read at home, we have introduced a reward system where upon if each child reads at least three times a week at home, they will receive a sticker. At the end of each half term, every child who has read for the required amount each week, will be given the opportunity at the end of each half term to participate in fun activities organised by the class teacher.

We hope that you will encourage and support your child thus enabling them to achieve their reward.

Thank you for your continued support.

Kind Regards,

Miss Merry
English Lead
