

Peace Class: Term 1

You will be given **3 weekly activities that must be done**. In addition, you have a further 4 activities to choose from below. We are hoping you will put in a lot of effort for each piece and you will enjoy sharing all your hard work with the rest of the class.

WEEKLY	Reading (At least three times a week).	Spellings (Practise your spellings for your test). Complete the weekly home learning tasks set by Mr Lawrence.
TERMLY	<p>The Maya farmed chilli, cacao, manioc, maize, avocado and squash among other things. Find a recipe that includes at least one of the crops. Make the food and describe the taste.</p> <p>You might find some inspiration here: http://www.yucatanadventure.com.mx/cookingrecipes.htm</p>	<p>As part of our science work this term we are looking at light. Identify the sources of light in your home. Go into a room in your house at night (when it is dark). What can you see straightaway? What can you see after five minutes? What are the sources of light in the room? What are the things reflecting the light?</p> <p>Visit http://www.bbc.co.uk/bitesize/ks2/science/physical_processes/light/play/ http://www.bbc.co.uk/bitesize/ks2/science/physical_processes/light/read/1/ http://www.bbc.co.uk/bitesize/quiz/q44852863 and complete the challenges. Once you have done this in your home learning book explain what you have found out from the game and note your score from the quiz.</p>
	<p>The Maya built some amazing temples to their gods. Find out who their gods were, what they were gods of and how they were worshipped. Find a picture of one of the gods that you like and copy the picture. Give details about the god.</p>	<p>Mathletics is a fun online maths resource that the school has made available to you. Play games, solve puzzles and challenge yourself and your friends. Your login details will be inside your home learning books.</p> <p>You must include your score, the date and maths subject in your home learning book.</p>

TOP TIP! Most of these projects may take a few goes before they are finished, that's normal. Plan out what you want to do before you start, chat through your ideas with someone else if you want to **but the end result must be your own work**. Take your time, redraft if you need to. Produce your best work and have fun!
