

Dalton St Michael's C.E. Primary School

Newsletter 1

September 8th 2017

Welcome back to school for the Autumn Term. We have welcomed eleven Nursery children, the majority of these children are full-time this year. We have five children in our Reception class who have settled into school very well.

Charlie has particularly enjoyed reading and listening to stories this week.

'We had fun comparing the town to the countryside' Mr Attkins and KS1

Year three and four have been learning about how sedimentary, metamorphic and igneous rocks are formed. They used grated milk and white chocolate to recreate the different rocks. They particularly enjoyed eating them at the end of the lesson!

'Our first week in year three was amazing!' Logan and Oliver

'I have enjoyed my first week in year six thoroughly' James

After-school clubs will begin next week:

Monday: Key Stage two Multi Skills Sports Club

Tuesday: Homework Club for Key Stage two

Thursday: Gardening Club for children from year 1 to year 6

Please remember to book the sessions for Dalton Discoverers After-School Club (3pm-5pm) if you wish your child to attend.

Stars of the Week

Reception: **All the children** for settling into school so well

Year one: **Toby M** for reading every night and for trying so hard in phonics

Year two: **James** for super place value work in Maths

Year three: **Finley** for settling into year 3 really well and show brilliant eye contact and listening well

Year four: **Logan** for demonstrating an exceptional attitude towards all of his new work in year 4

Year five: **Noah** for presentation of work being consistently lovely and neat

Year six: **Niamh** for helping Mrs Monks in After-School Club with baking. Mrs Monks said, "her help was greatly appreciated."

Attendance

EYFS and KS1

with a fantastic 100 %

Next Week
