September & October Timetable

*****Some news*****

Over the summer holidays Helen our Outreach worker, left us after over 4 years to take up the position of manager at Three Rivers Childrens Centre. We're sure Helen will be great in her new role and are sure like us you wish her all the best. This does however mean we are going to be short staffed while we recruit for this vacancy. The centre will be open as normal between 9am -3pm, Sally our manager is in every day and Christina our Information & Advice Officer is in every morning so between us we are hoping there will be few changes to our planned timetable. All our current activities are planned for the morning however our garden and outside play area are available every day we are open until 3pm. For sensory room use, please call in advance to make a booking. **All sessions are FREE and drop in, unless cost is shown and "booking required" is stated. Items in RED should be taken note of as they may include temporary time changes, please look at session times/days each week. All clinic appointments are by booking - Please note that the Health Visitors Well Baby clinic is now by appointment only. Please call 01932 414149 to book your appointment time.**

Please keep a check on our website for any changes to timings or availability

September

Don't forget at the Children's Centre we can advise and support you in many areas including:

- Breast feeding support
- Early years and childcare options
- Benefits and financial support
- Employment support and local job lists.

Give us a call or pop in. We will try to help straight away, we might need to book an appointment or give you details to get the right advice elsewhere.

Our winter term timetable will be available w/c 23rd October 2017
