Dear Parents/Carers,

Year 6 parents

Admission to secondary school September 2018 – mitigating circumstances

If you have requested that your child be assessed for grammar school education, I need to remind you of the need to bring to the Authority's attention any special factors affecting your child's assessment.

The Authority can take into account special circumstances that may have affected your child's attainment and performance in the grammar school assessment, for example if his or her education has been seriously disrupted through ill-health, disability, change of schools, domestic problems or any other cause.

If you believe that there are special factors that could have affected your own child's performance in the assessment, you should put them in writing to me **by Tuesday 19th September 2017** to be sent on to the Authority.

If you have any queries regarding this please do not hesitate to contact the school office.

Yours sincerely,

Mr M. Cotton
Principal
