September Newsletter

First of all, the staff at Hertford Vale would like to welcome you all back for the Autumn Term. We hope you had a good summer break and managed to have some time together and to recharge for the upcoming weeks.

This term runs right up to the festive period in December with most schools in North Yorkshire breaking up on the 22nd December. Before then we have a lot of work to do, people to see and things to learn. The class teachers have already sent home a Curriculum Map for this term but if you have not seen it there are electronic copies on the website and the school app.

For those parents who do not have the Hertford Vale app on their phone, it is available for free from Google Play Store or the iTunes website. This is a great way of keeping up to date with all the news at school and for looking at the school calendar for upcoming events.

We have included a list below of the dates we currently have in our diary. As more events are arranged we will put them on the website and app but if you prefer a paper copy they are available from the foyer in school.

Useful dates for your diary.
